Saint Mary Seminary and Graduate School of Theology was founded by the first bishop of the Roman Catholic Diocese of Cleveland, Louis Amadeus Rappe, in 1848. Since that time the seminary has faithfully pursued as its primary mission the education and formation of candidates for the Roman Catholic priesthood. Moreover, for the past thirty years the seminary has placed its resources - faculty, library and facilities - at the service of the larger faith community of Northeast Ohio and developed degree programs beneficial to this wider community. Qualified students have the opportunity to pursue graduate degrees in theology or simply to pursue non-degree course work for graduate credit or as auditors.

The e-portfolio system provides a place for students and faculty members to engage in student and programmatic assessment. If you have any trouble accessing the e-portfolio system please feel free to contact [Ed Kaczuk](#).
